Summary

UX/UI Designer with experience using double diamond methodology in projects, user research, case studies, user flow creation, wireframes, and prototypes for mobile and desktop software, using tools such as Figma, Miro, and Jira.

I am currently seeking my first internship in the field to apply and further develop my knowledge in UX/UI design.

Skills

Tools: Figma/FigJam, Miro, Notion.

Methodologies: SCRUM, Kanban, Design Thinking.

Languages: English (B2), Portuguese (Native).

Technical Knowledge: Experience with Front-End development, facilitating collaboration between design and development.

Experience
